

2019 FOM/MGP Scoreboards

IMPORTANT NOTICE

Due to the Noble's Park - Cemetery Bridge being condemned, it cannot be used to cross the Course.

We have been advised by the Clerk of the Course that Scouts may be able to cross to the Grandstand area with the express authority of Race Control when a race is not in progress. This may mean unavoidable delays at the end of racing as, on occasions, there will be practice lap(s) in session.

In an emergency, our exit from the Scoreboards side of the course is through the rear gate of the Cemetery into Clype Road, Willaston.

IMPORTANT NOTE FOR LEADERS AND ADULT HELPERS

Due to increased insurance requirements, it will be necessary for all Scout Leaders and adult helpers to sign on at the Race Control Office to obtain a pass. *A passport type photo will be required.* You will also be required to supply contact details (phone number) for next of kin.

Thank you.

Mike J. Southall, Leader in Charge.
